1.3.129

a Lesson in the University of The New Covenant

Theodore Cottingham, July 19, 2005 during WeekWorks 10

www.unc.bz

1. My work in you has just begun, just begun, just begun to take root; the tap root, Me, into other fields white with harvest, white for harvest; My fields of Me which you know nothing of, but will so soon, Me taking you beyond realms real to more real of Me; beyond Me not; in Me, of you not, of you now that I take you there and experience My bosom in other ways than Tulsa and comforts of America-thought. I love you. I give you Me. I give you realms beyond Me/you not, beyond Me, not; in Me. See what I have said and fear not.

2. They come for you and I Am. I love you. I give you Me. Unafraid, I love you. Unafraid, I love you. I love you My unafraid who frontiers challenge and go into first person longing to the fields white with harvest. I love you.

3. See what I am saying for the masses not, but for the few who will die and death not fear, staring death down in the image of Me; image not, Me in the flesh; personal, impersonal not; mythical ethereal surreal not, but Me; empirically Me. See what I have said.

4. I take you now past realms many to realms of My choosing for Tulsa you do not stay in; you are Mine; all Mine, all Mine, all all altogether Mine; Me you are. Thank you for understanding, surrendering, and placing your understanding-outstretched-arms unto Me, around Me not, but in to Me for allowing Me to Me you beyond realms Tulsa; you have, and write about increasingly, documenting all. I love you.

5. I give you power. I give you grace. I give you power authority grace in flight of only Me, not from, but to; that which is of Me, waiting for Me/you to arrive in grace and glory not but as the man of many sorrows, acquainted with grief; root of Jesse not, root of Me.

6. See what I have said, Me man. New again, new you are fully, compromising not the standards set forth by My Father, Father of lights, Father in whom is no shadow or variableness of turning; in you neither, either not, none. I love you. See, see where I am taking you.

7. Thank you for holding on to Tulsa not, your home-thought, your family-thought, for My family is your family and My family fields are white and the reapers are few. I am the

reaper. I am the harvest. I am you. I implanted My Father, My Father's desires, power grace and glory unto you and all who choose to reveal Me, in them, which, is; are plural not.

8. Thank you for **letting be one and one-ing My body, now**, white white awaiting harvest of only Me, groaning with anticipation and eagerly yearning to eat this Passover with one who will be not, **one who is Me to Me them, in fullness**, awashing all of their fears way and showing them the way, saying "here, this is the way, follow me. Let me show you My Father's mansions, in you, in you, prepared for you, My temples not made with hands, who no sorrow makes, but love joy and peace abundanced with the words of His/My/our mouth, into, unto those who yearn, yearn, yearn to be Me, knowing there is more, sitting in pews not but space vehicles of only Me, only Me not, encapsulated in time and space not but in suspension and waiting awaiting the good news: More, There is more upon you, inside you, and to My Father's house than ever imagined by mere mortals and others awaiting, suspended not, awaiting My arrival, Me; upon who you are, Me'd, Me'ing now the flesh and blood of My flesh and blood who flesh and blood are and aren't. Watch Me. Watch Me. Watch Me.

9. I behold you, the lamb slain before the foundation of the world. We are one, one, one. Thank you for taking, exploding the revelation that we are one to worlds many, and Tulsa, beyond Americas to realms beyond and cataclysmic creations of Me, My heart, My love, My Father, we are one, one, one. I love you.

10. Beyond Tulsa you go so soon, resting in My rest, rest of only me that so few have tasted, **awaited for entry to the faithful not, but the fearless**; holding on to My hand only and letting Me lead them/you into realms undocumented, unmapped, uncharted, un-region'd by man's mind, so little. I have so much and I explode you I do this day, this day, this very day upon realms many and beyond to take, see, be Me in, and for, through, and Me'ing My Mine. I love you.

11. I give you Me and explode you I do this day; watch Me, and run, drip, fly, permeate you do realms of sought for, prayed for, interceded for, looking for a man/woman being of Me to make up the hedge, stand in the gap, and die, interceding and taking My lashes, My stripes of healing for nations beyond, coming. We are one. I love you.

12. Think it not strange **the purple hearts that come forth**, awarded in battle not, but giving their all, gave all and now stand with you in regions royal, regalia of only Me; see; colors, hues, prism forming focusing devices of only Me, coming forth operating as Me unrestricted in realms beyond realms, no jets needed. Useless. Used. I love you.

13. I elevate, life, eye-salve; you seeing so much father today than past-thought, My of Me this morning at Heller Park (1), thank you. Now today and more today, unlimited, unlimiting My body and royaling all who will die in My arms not, but live and embrace Me and My New Covenant which brings life and blood to all who wait suspended and waiting, waiting, cannibalized and moth-balled and wondering "if we should look for another" (2), their hearts telling them "there is more," looking for one with humility and not arrogance, control, greed, and put-down tactics of religious-thought monstrosities of not-Me who are powerless powerless powerless.

14. Stop.
See.
Rest.
Rest and fly.
See and fly.
Rest and fly.
I love you.

15. Going into other realms you do this day.
Thank you unafraid.
Thank you unafraid.
Thank you My unafraid one.
Of one's many now who know and one My body all.
Thank you.
Good day.
I love you.
Good day.
Good day.
I am here.

Footnotes:
1. Refers to a message He gave me that morning as I walked in Heller Park that has yet to be transcribed.
2. Mat 11:3 And said unto him, Art thou he that should come, or do we look for another?
